Venue	Poznan City Hall, White Hall (no. 105)/ Blue Hall (no. 106) Plac Kolegiacki 17, Poznan
14:00-16:00 - Workshop I “Cities 2.0 – participatory budgeting” (Dariusz Walczak, Krzysztof Mączka)	14:00-16:00 - Workshop II “Cities 2.0 - online participatory mapping” (Cyryl Kwaśniewski, Marek Młodkowski, Michał Czepkiewicz)
During the conference, two parallel workshops will be conducted by the "Miasta 2.0" group. The first workshop will focus on the implementation of participatory budgets, which have been recently emerging in Polish cities. The second workshop will focus on geo-questionnaires: an online participatory mapping tool that can be used in research on the quality of life and the quality of urban spaces. Participants will be involved in hands-on exercises that will help them discover how to use these methods in a way that would best meet the needs of local communities. The workshops will be conducted in English, there won't be translation into Polish.	

This project has been funded with support from the European Commission
in the framework of the Programme Europe for Citizens
Action 1 - Active Citizens for Europe, Measure 1.2 - Networks of twinned towns.
